

MyCommercialAD.com Progress Report

Status Report Date: 2019-09-03
Project team members: Clarence Mitchell
Advisor name: Dr. Eric Tao
Client/Sponsor name (if applicable): N/A

Status Period: **From:** August 28, 2019 **To:** September 3, 2019

Cost performance [cost variance] % under/over estimated hours
Schedule performance [schedule variance] % ahead/behind schedule

	\$ or #of hours
Planned hours to date	42 Hours
Actual hours to date	35 Hours
Approved total project hours	42 Hours
Estimated total hours at completion	35 Hours

Issues requiring advisor/client attention

1 API Key expired and had to create a new key. The old key is tied to the Domain Name. Have submitted a request to Google, however they may inquire with Advisor about request. This is not a showstopper as work can continue with new key.

2

Changes to scope, schedule, hours during this period

1 None

2

Major problems encountered and planned action to resolve

1 Computer Hardware had issue but updated software on backup laptop

2 Created development framework

Issues identified this period and required action

1 None

2

Major accomplishments in the past period

1 Configured hosting site and web server

2

Client feedback from this week (if applicable)

1 N/a
